Giving Hope Today

The Salvation Army Mt. Arrowsmith Ministry
November 12, 2024

President, Parksville Rotary Club

Dear Glen,

On behalf of The Salvation Army Mt. Arrowsmith Soup Kitchen, I want to extend our most heartfelt gratitude for the Parksville Rotary Club's incredibly generous donation, which has allowed us to purchase a much-needed stove/oven for our kitchen.

Your support goes beyond equipment; it exemplifies how deeply you care for and love people in our community. Through this donation, you show an unconditional love that serves others without hesitation. This is how you believe in people—by investing in their worth, valuing their dignity, and meeting them with respect. Thank you for every second of your time, energy, and resources that make this mission possible.

This is how you lead by action—by walking a path that shows others the true meaning of community and compassion. Thank you for going this way, showing the way, and walking alongside us. With your support, our community learns how to be better, how to care better, and how to lead better. We are deeply grateful for your commitment to human dignity and the positive difference you're making. Thank you for being a true friend and champion of The Salvation Army's mission. Together, we are creating a stronger, more compassionate community.

With heartfelt appreciation,

Sergii Kachanov, Major
The Salvation Army Mt. Arrowsmith Ministry
